It shall be unlawful for any person, firm, or corporation to deposit, or to cause or permit to be deposited in any water-closet, privy vault, or cesspool any dead animal, offal, or garbage, or to deposit or to cause or permit to be deposited any solid substance in any public sewer, manhole, or flush tank.

SEC. 60. It shall be unlawful for any person to clean any yard or premises or to empty any privy vault, cesspool, or sink in such a manner as to offend the sensibilities of residents of the city, or to burn or dispose of any offensive or obnoxious substance in any manner that may be prejudicial to health or offensive to the sensibilities of the residents of said city.

[Ordinance, adopted May 1, 1912.]

ST. JOSEPH, MO.

COMMUNICABLE DISEASES—NOTIFICATION, QUARANTINE, SCHOOL ATTENDANCE— NURSES AND MIDWIVES TO REPORT OPHTHALMIA NEONATORUM CASES.

SECTION 1.—*Report of cases.*—(a) All contagious and infectious diseases to be reported to the health officer.

(1) Every physician who attends any person in the city of St. Joseph affected with scarlet fever, smallpox, diphtheria (membranous croup), measles, German measles, typhoid fever, tuberculosis, anterior poliomyelitis, epidemic cerebrospinal meningitis, chicken pox, erysipelas, whooping cough, mumps, or other disease declared by the health officer to be dangerous to public health, except those of a venereal nature shall report the same to the health officer in writing within 24 hours from the time of such attendance on cards furnished by the health department, giving the name of the disease, the name, age, sex, and color of patient, and the number and name of the street or shall otherwise designate the location of the house or dwelling place where such patient may be found. A report by telephone shall be required in addition in the case of persons affected with scarlet fever, diphtheria (membranous croup), or smallpox.

(2) In the absence or disability of any physician in attendance on such case, or in default of such physician, the head of the family or some other member of the family where the patient is located, shall make a report as specified in the preceding paragraph.

(3) Hotel and boarding house keepers, managers of public and private institutions, nurses where no physician is in attendance, and teachers in public and private schools, and, finally, any person who is aware of the existence of any of the diseases enumerated, where there is no physician in attendance or where the case has not been reported, shall make a report of the same to the health officer, as specified in paragraph 1, subdivision a, of this section.

(b) *Separate reports required for each case:*

(1) Every physician or other person as specified in subdivision a of this section shall make separate reports for each and every case occurring in the same family or in the same dwelling place.
